Re: *The 32BJ North Pension Fund and its Board of Trustees v.
Elsa Alvarado and Daisy Yamileth Aleman, Case No. 23 Civ. 0388 (LLS)*

Dear Judge Stanton:

This firm is counsel to the Plaintiffs in the above-referenced action. The purpose of this letter is to request a 30-day extension of time, through and including Wednesday, June 7, 2023, for the parties to file a status report pursuant to your Order dated April 7, 2023. The reason for the requested extension is that the parties are currently discussing the possibility of a resolution of the case that could moot the need for the filing of such a status report or for further proceedings. Pursuant to Rule 1(E) of your Individual Rules, the Fund respectfully states that: (1) a status report is currently due by Monday, May 8, 2023; (2) this is the first request for an extension of time to file a status report; and (3) undersigned counsel has been authorized by counsel for both Defendants to state that both Defendants consent to the requested extension. Plaintiffs thank the Court for its consideration of this request.
